

A former scientist with the National Severe Storms Laboratory discusses how she has gained calm during severe weather events.

Learn how the scientific method can be applied to Christianity, with resulting healing in all of life's 'storms'.

# “The Science of Christianity”

**Saturday, February 16, 2019**

**2 PM**

A free one-hour public talk by  
Mary Alice Rose, CSB

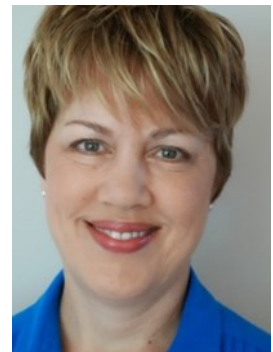

**Cambier Park Bandshell**

Cambier Park, Naples, FL 34102  
(map on reverse side)

(Rain Location: First Church of Christ, Scientist, 649 Central Ave across from the Library)

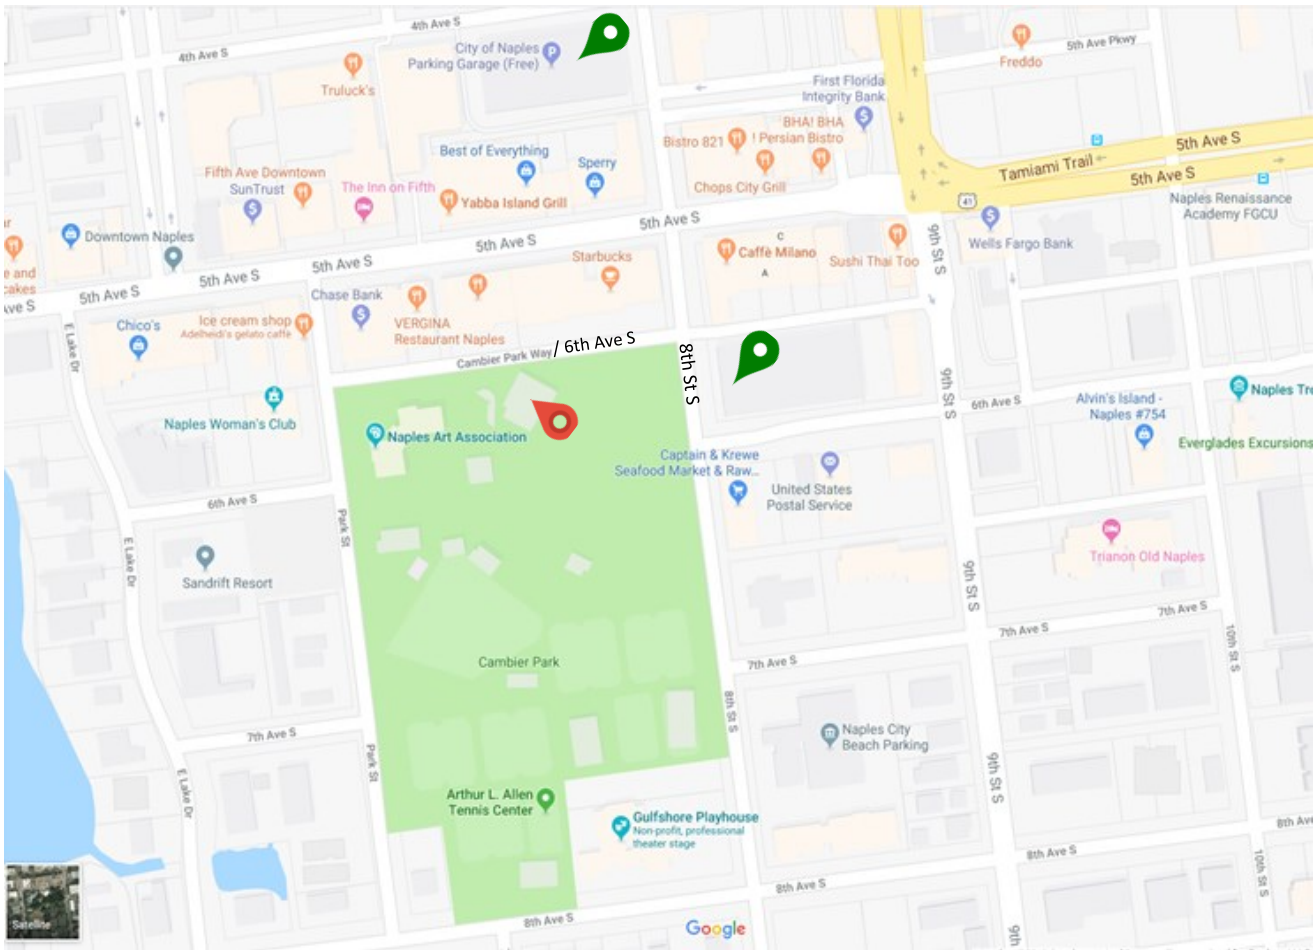

**All are welcome.**

After 20 years as a meteorologist, software engineer and manager, Rose made the transition to the full-time ministry as a Christian Science practitioner in 2002 and is now an authorized teacher of this Science and a member of the Christian Science Board of Lectureship.

This talk is sponsored by the Naples Christian Science Church
